

Research Assistant I (Ref: 2501247)
Department of English Language Education

Project Title: Improving ESL primary school teachers' creativity and creative self-efficacy for using technology in English language classrooms: A design thinking approach

[Appointment Period: around 6 months]

The Department of English Language Education is inviting applications for the position of Research Assistant I for the project "Improving ESL primary school teachers' creativity and creative self-efficacy for using technology in English language classrooms: A design thinking approach". The appointment will be for a period of 6 months with the possibility of renewal subject to mutual agreement.

The appointee supports a variety of research and administrative tasks. The duties include reviewing literature, coordinating with internal and external research collaborators, development of research instruments, data collection and analysis, and performing any other duties as assigned by the PI. The appointee who has the expertise/experiences in developing AI-related or gamified related teaching materials are welcome.

Applicants should have a bachelor's degree or preferably a master's degree in Educational Technology, Computer Science, Art and Design, STEM Education, or other related fields. Prior experience in GenAI, educational technology, content creation, and design will be highly preferred.

For further enquiries about the post, please contact Dr Maggie Qiao at sqiao@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **23 December 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at <http://www.eduhk.hk>.
