

Post-doctoral Fellow (Ref: 2501334)
Department of Curriculum and Instruction

Project Title: RGC Senior Research Fellow Scheme project “Bottom-up Assessment Reform: The Student-centred Assessment-driven Learning (SCADL) Platform”
[Appointment Period: 12 months]

The Department of Curriculum and Instruction is seeking qualified and highly dedicated researchers to provide research support to an RGC Senior Research Fellow Scheme project entitled “Bottom-up Assessment Reform: The Student-centred Assessment-driven Learning (SCADL) Platform”. This 5-year project aims to develop an online adaptive learning system for schools. The appointee will assist in duties such as learning platform development (e.g., Human-computer interaction design, Design-based Research, Computational Design) and innovative AI-supported educational research, contributing to the development of next-generation adaptive learning technologies. The initial appointment period will be 12 months and may be extended upon mutual agreement.

Applicants should have a PhD degree, with a background in Educational Technology, Computer Science, Education Measurement, Psychometrics or other related disciplines. They should demonstrate evidence of scholarship, including research outputs and relevant experience in related fields. Applicants must be able to multi-task, work under tight deadlines, and function effectively both independently and as part of a team.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](http://www.eduhk.hk/jobsopp/index.php?glang=en) and upload a full CV on or before **12 January 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
