To continue pursuing excellence in the advancement of knowledge, scholarship and innovation through high quality research, we are seeking enthusiastic and highly dedicated academics to join the University in support of its strategic development in diverse areas.

Assistant Professor (Ref: 2501159)
Department of Chinese Language Studies
Faculty of Humanities

The Department of Chinese Language Studies of the Faculty of Humanities seeks applications for one full-time academic position at the rank of Assistant Professor. We are looking for a highly qualified and experienced candidate to join our strong and experienced academic team. In order to echo with the Faculty's strategic development theme, we invite applications in the field of Chinese linguistics, digital humanities and/or teaching Chinese as a second language (TCSL).

The appointee will contribute to the development of the research capacity of the University, including the strengthening of scholarship in the relevant strategic research theme(s). Responsibilities will mainly include:

- Conducting research and producing publications/research outputs in the field of Chinese Linguistics, digital humanities and/or TCSL.
- Initiating research projects, securing external research grants (e.g., ECS/GRF), and engaging actively in research-related activities.
- Undertaking teaching duties at undergraduate and/or postgraduate levels and/or supervision of students at varied levels.
- Helping to strengthen the connection/partnership with local, national and international/external academic and professional organisations.
- Participating in and being an active member of the University's community at departmental and faculty levels.

The ideal candidate should have a Doctoral Degree in Chinese Linguistics / Applied Linguistics / Teaching Chinese as a Second Language, with a strong track record in relevant research and teaching experience. The ability to undertake teaching duties in two or more of the aforementioned fields would be favorably considered. Knowledge and expertise in digital humanities and e-learning will be an advantage.
