

Research Assistant II (Ref: 2600015)
Department of Mathematics and Information Technology

Project Title: From Classroom to Career: LLM-Driven Curriculum Design and Talent Development in the Age of AI and Emerging Technologies

[Appointment Period: 12 months]

The appointee will participate in a research project related to developing Artificial Intelligence (AI) algorithms for education applications. He or she will be responsible for designing and developing the AI system, gathering requirements and implementing solutions, training AI models, analyzing their performance, and performing any other duties as assigned. A strong interest in conducting research and academic manuscript writing will be an asset. There will be opportunities for manuscript writing and publication in international journals. The appointment will be for a period of 12 months.

Applicants should have at least Level 2 or equivalent or above in five subjects including Chinese Language, English Language and Mathematics in HKDSE; or Grade E (Level 2) or above in five subjects including Chinese, English (Syllabus B) and Mathematics in HKCEE or equivalent. Preferably have a Bachelor's degree or above in Computer Science, Information Technology, and Artificial Intelligence, and demonstrate proficiency in AI technology and its applications. They should have strong programming skills, communication, presentation, and interpersonal skills in both written and spoken English and Chinese. They should also exhibit strong enthusiasm, self-motivation, and the ability to work independently and under pressure.

For further enquiries about the post, please contact Dr Yue Wang at wyue@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **20 January 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
