

**Research Assistant I (Ref: 2600039)**  
**Department of Science and Environmental Studies**

**Project Titles:**

- 1) **Matching fund for Hierarchical porous alkali metals doped g-C<sub>3</sub>N<sub>4</sub> by introduction of vacancies and charge channels for the enhancement of the photocatalytic NO oxidation activity**
- 2) **Development of a Dual System for Simultaneous Electrocatalytic Reduction and Oxidation (SERO) of NO<sub>x</sub> to Ammonia and Nitrate**

**[Appointment Period: 12 months]**

The appointee will participate in the projects on “Green STEM and science education.”

He/she will assist the project team and the department in

- coordinating meetings and activities;
- preparing documents and taking minutes;
- supporting teachers to implement inquiry learning inside and outside the classroom;
- providing logistics to facilitate teachers’ and students’ inquiry learning in science;
- liaising with stakeholders internally and externally;
- as well as any duties related to the project.

The appointment will be for a period of 12 months, with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor’s Degree, in Education, Science, or related disciplines. Applicants with related experience in education sectors in Hong Kong and experience in educational research are preferred, and related experience in assisting school-based support projects offered by tertiary institutions will be an advantage. Applicants should have an excellent command of both written English and Chinese, and able to speak Putonghua and Cantonese. They should also be able to work independently, be good team players, have good interpersonal and communication skills, attentive to details, highly self-motivated, well-organized and able to work under pressure.

For information of the Department, please visit this website: <http://www.eduhk.hk/ses>.

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **6 February 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent’s work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at <http://www.eduhk.hk>.
