Senior Research Assistant (Ref: 2600103)
Department of Social Sciences and Policy Studies
[Appointment Period: 6 months]

We are seeking a motivated Senior Research Assistant to support a research project focused on analyzing the effect of climate risk and Chinese enterprises financial policy. The role will involve conducting literature reviews, collecting and analyzing quantitative data, assisting in stakeholder engagement, and contributing to the preparation of research reports and policy recommendations. The ideal candidate will have a strong interest in accounting, finance, and/or economics, along with the ability to work effectively in a dynamic academic environment.

Applicants should have a Master's Degree plus one year's post Master's degree full-time working experience, or a Doctorate degree in Business-related fields. Preferred qualifications include familiarity with China's economic policy/regulation, demonstrated analytical and research skills, proficiency in both English and Mandarin. Applicants should have a successful publication record.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV **on or before 2 March 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
