

Research Assistant I (Ref: 2600203)
Department of Curriculum and Instruction

Project Title: The impact of Higher Education Policy on Student Learning and Development
[Appointment Period: 6 months]

The appointee will be responsible for providing research support to a project relevant to higher education policy. The appointee will assist in duties such as conducting literature reviews, collecting and analyzing data, drafting papers and reports, and performing any other research or administrative tasks as assigned. They will also be expected to carry out other duties as assigned by the Principal Investigator. The appointment will be for a period of 6 months.

Applicants should possess a recognized Bachelor's degree, preferably with Master's degree in Education, Psychology, or a related area, along with relevant research experience. Knowing how to use a variety of research tools would be favored, including but not limited to NVIVO, SPSS, and AMOS.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **22 April 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
