

**Research Assistant II (Ref: 2600268)**  
**Department of Early Childhood Education**

**Project Title: Effects of an Integrated Movement Behaviors Intervention to Enhance Executive Function in Hong Kong Preschoolers: A Pilot Cluster Randomised Controlled Trial**  
**[Appointment Period: 7 months]**

The appointee will assist in several projects focusing on physical and cognitive development among preschool children. The appointee will be responsible for providing support to the project team led by the principal investigator, Dr. Song Huiqi. The appointee will assist in and receive training and supervision on (a) planning and conducting data collection and analysis, (b) carrying out literature review, (c) contributing to manuscript writing, and (d) performing any other duties as assigned. The appointment will be for a period of 7 months, with the possibility of renewal upon mutual agreement. The start date is negotiable, ideally May 25, 2026, or as soon as thereafter.

Applicants should have at least Level 2 or equivalent or above in five subjects including Chinese Language, English Language and Mathematics in HKDSE; or Grade E (Level 2) or above in five subjects including Chinese, English (Syllabus B) and Mathematics in HKCEE or equivalent, preferably have a bachelor's degree or above in a related discipline to sports science, child development, psychology, education, or public health, with considerable quantitative and qualitative research experience. They are expected to possess good work ethics, good communication and interpersonal skills, the ability to work independently with initiative and under pressure, a strong sense of responsibility, and proficiency in spoken and written English and Cantonese. International conferencing and publishing experience are desirable. Previous work experience in school-based research projects would be preferred. Shortlisted candidates will be invited to attend an interview.

For further enquiries about the post, please contact Dr. Song Huiqi at [hhsong@eduhk.hk](mailto:hhsong@eduhk.hk).

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **4 May 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
