

**Research Assistant I (Ref: 2600325)**  
**Office of Associate Vice President (Quality Assurance)**

**Project Title: Redesigning learning outcomes and assessments in the era of generative AI: Evidenced-based authentic examples, innovation and capacity building**

**[Appointment Period: 6 months]**

The appointees will provide support to the learning and teaching project on redesigning learning outcomes and assessments in the context of generative AI. He/she will be responsible for the preparation and development of research and training materials; conduct project activities including literature review, data collection analysis, documentation, report writing; organizing meetings and workshops; and performing any other research-related duties as assigned by the Principal Investigator and or his/her delegate(s). The Department will appoint two Research Assistants to support the project. The initial appointment will be for a period of 6 months, subject to renewal based on performance.

Applicants should hold a Bachelor's degree in Education or a relevant discipline. Familiarity with human-AI interaction or generative AI in education is an advantage. Applicants should have an excellent command of written and spoken English and Chinese (including Cantonese). They should also possess self-motivation, good organizational skills, strong interpersonal and communication abilities, the ability to work independently and collaboratively as an effective team member, and the capacity to handle work under pressure.

For further inquiries about the post, please contact Professor Susanna Yeung at [siusze@eduhk.hk](mailto:siusze@eduhk.hk).

---

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **19 May 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
