

香港教育大學
The Education University
of Hong Kong

Research Assistant I / Research Assistant II (Ref: 2600320)
Department of Health and Physical Education

Project Title: Capacity Building for SEL Thought Sport in Hong Kong
[Appointment Period: 12 months]

The appointee will support a 3-year project entitled “Capacity Building for SEL Thought Sport in Hong Kong” and will assist in planning and coordinating research activities on SEL through sports and physical education, as well as supporting sports-related programmes in collaboration with a Hong Kong-based charitable organization.

The role involves handling and integrating multiple types of data, including questionnaires, behavioural measures, and system-generated data from digital or AI-supported platforms. The appointee will assist with data management, basic data analysis, and the use of AI-assisted tools where appropriate. Additional responsibilities include providing technical support and advice to staff and students, monitoring budgets for teaching and research supplies and equipment, supervising subordinates and student helpers in learning and teaching activities, and performing other related duties as assigned.

For the post of Research Assistant I, applicants should have a Bachelor’s degree or above in Sports Science, Education, Psychology, Social Work, Data Science, or a related discipline.

For the post of Research Assistant II, applicants should have at least Level 2 or equivalent or above in five subjects including Chinese Language, English Language and Mathematics in HKDSE; or Grade E (Level 2) or above in five subjects including Chinese, English (Syllabus B) and Mathematics in HKCEE or equivalent.

The appointee should be innovative, demonstrate good proficiency in both written and spoken English and Chinese, and show a strong interest in social-emotional learning, sports coaching, and educational technology. The ability to work independently as well as collaboratively in a team environment is essential. Basic research experience or familiarity with data handling and analysis will be an advantage.

For further enquiries about the post, please contact Dr Gary CHOW at ccchow@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **3 June 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent’s work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at <http://www.eduhk.hk>.
