

Senior Research Assistant (Ref: 2600380)
Artificial Intelligence and Digital Competency Education Centre

The appointee will be responsible for providing research support for an artificial intelligence (AI) education project. Duties include conducting literature review on AI education, developing and validating research instruments; conducting quantitative and qualitative data collection and analysis; writing academic papers and reports on AI education; reviewing the learning and teaching resources on AI education developed by the project team; as well as performing other duties assigned by the project principal investigator. The appointment will be until 31 August 2027.

Applicants should have a Master's degree, preferably in Social Science, Psychology, Education, Computer Science, Information Technology, Language or related disciplines, plus one-year's post Master's Degree full-time working experience, or a Doctoral degree.

Applicants should have an excellent command of written English and Chinese, a high capability of conducting statistical analysis, and writing reports/ papers independently. A sound background in statistics and experience in using statistical packages such as SPSS are expected. They should be self-motivated and able to work as a team member. Applicants who can speak fluent Cantonese and English would be preferred.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **29 May 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobopp/index.php?glang=en>.
