

Research Assistant I (Ref: 2600464)
Department of Early Childhood Education

Project Title: AI, New Media, Social Media and Futures of Education: A Multigenerational and Multistakeholder Exploration
[Appointment Period: 12 months]

The appointee will assist in the sub-project focusing on teacher use of AI and social media for pedagogical purposes, led by the Project Leader, Dr. Weipeng Yang. S/he will assist in and receive training and supervision on (a) planning and conducting data collection and analysis, (b) carrying out literature review, (c) contributing to manuscript writing, and (d) performing any other duties as assigned. The appointment will be for a period of 12 months, with the possibility of renewal upon mutual agreement. The start date is negotiable, ideally September 2026, or as soon as thereafter.

Applicants should have a bachelor's degree or above in a discipline related to AI education, psychology, and/or computer science, with considerable mixed-methods research experience. They are expected to possess good work ethics, good communication and interpersonal skills, the ability to work independently with initiative and under pressure, a strong sense of responsibility, and proficiency in spoken and written English and Chinese. International conferencing and publishing experiences are desirable. Previous work experience in school-based research projects would be preferred. Shortlisted candidates will be invited to attend an interview.

For further enquiries about the post, please contact Dr. Weipeng Yang at wyang@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **2 July 2026**.
