

Research Assistant I (Ref: 2600496)
Department of Mathematics and Information Technology

Project Title: Learning to Code with AI: Developing Educational Guideline for Student Vibe
[Appointment Period: 11 months]

The appointee will be responsible for supporting research projects. He/she will assist in searching literature, analyzing survey and interview data, developing platforms, writing the reports, and performing other duties as assigned by the project leader(s). The appointment will be for a period of 11 months.

Applicants should have a recognized Bachelor's degree and have high proficiency in English and Chinese. They should also be a good team player, attentive to details, well-organized and self-motivated. Immediate availability is preferred.

For further enquiries about the post, please contact Dr Wei Zhengyuan at zywei@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **8 July 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
