

**Post-doctoral Fellow (Ref: 2600463)**  
**Artificial Intelligence and Digital Competency Education Centre**

The appointee will be responsible for providing research and teaching support for a Taught Postgraduate programme. Duties include offering courses; organising and coordinating alumni activities; reviewing the learning and teaching resources developed by the programme team; as well as performing other duties assigned by the Programme Leader. The appointment will be for a period of 12 months.

Applicants should have a Doctoral Degree in Chinese Language, Chinese Culture, Philosophy and/or related disciplines, and also an excellent command of written English and Chinese. They should be interested in artificial intelligence, self-motivated and able to work as a team member. Applicants with high proficiency in spoken Cantonese and artificial intelligence would be preferable.

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **1 July 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
