

**Senior Research Assistant / Research Assistant I (Ref: 2600462)
Artificial Intelligence and Digital Competency Education Centre**

The appointee will be responsible for performing research and academic duties for an artificial intelligence (AI) literacy project in K-12 context in Hong Kong. Duties include conducting literature review on AI literacy, developing and validating research instruments; conducting quantitative and qualitative data analysis; writing academic papers and reports on AI literacy; reviewing the learning and teaching resources on AI literacy; delivering workshops related to machine learning and learning to learn skills to K-12 students in Hong Kong; as well as performing other duties assigned by the project principal investigator. The appointment will be for a period of 12 months.

Applicants should have a Bachelor degree, preferably in Social Science, Psychology, Education, Computer Science, Information Technology, Language or related disciplines. For Senior Research Assistant, applicants should have a Master's Degree, plus one-year post Master's Degree full-time working experience, or a Doctoral Degree.

Applicants should have an excellent command of written English and Chinese, and proficiency in spoken Cantonese. They should have high capability of conducting statistical analysis, and writing reports/ papers independently. A sound background in statistics and experience in using statistical packages such as SPSS or Mplus is expected. They should be self-motivated and able to work as a team member.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **31 July 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
