

Lecturer I (AI in Education) (Fractional) (Ref: 2600604)
Department of Mathematics and Information Technology

The Department is now seeking enthusiastic, qualified and highly dedicated person to take part in a number of teaching and learning activities in Artificial Intelligence in Education. The appointee is expected to teach courses, supervise student projects, and undertake administrative duties as assigned.

Applicants should have a Doctoral degree, with at least four years' post-master's degree qualification teaching experience in tertiary education setting, preferably possessing qualified teacher status and/ or professional qualification in Artificial Intelligence, Computer Science or a closely related discipline, with expertise in Artificial Intelligence in Education.

Candidates should provide evidence of quality teaching and/or a proven record of successful, relevant professional experience at the tertiary level. They should be fluent in English with, ideally, some knowledge of Cantonese and/or Mandarin Chinese. Candidates with international experience would also be highly valued.

For information on the Department, please visit this website: <https://www.eduhk.hk/mit>.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **10 August 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at <http://www.eduhk.hk>.

EdUHK is an Equal Opportunities Employer.
