

Research Assistant II (Ref: 2600623)

Department of Mathematics and Information Technology

Project Title: A Study on K-12 Mathematics Teachers' Acceptance of AI Literacy Integration: Instrument Development, Theoretical Modelling, and Pedagogical Exploration

[Appointment Period: 10 months]

The appointee will work on a research project investigating teachers' acceptance of AI literacy-integrated instruction. He/She will support the research team in planning, conducting, and coordinating the project activities. The appointee will conduct literature review, data collection, data entry, data management and analysis, report and manuscript writing, and liaison with collaborators, and perform any other duties as assigned. The appointment will be for a period of around 10 months.

Applicants should have a Bachelor's Degree in Mathematics Education, or a related discipline and be interested in AI Literacy Education. They should have good command of communication, presentation, and interpersonal skills in both written and spoken English; strong administrative and management skills; research knowledge and skills in using SPSS; enthusiasm, self-motivation, and the ability to work independently and under pressure. Experience with social network analysis and systematic review will be an asset.

For further enquiries about the post, please contact Dr Ye Huiyan at hye@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.
