

Project Assistant (Ref: 2600570)

Department of Science and Environmental Studies

The appointee will support the development of teaching resource for a project which promote STEAM Education in local primary schools. He/she will assist the Project Leaders and team members who participate in the project to provide administrative support of the project; review relevant teaching and learning materials; explore and design new teaching and learning activities with associated materials; and support the training for participating schools of the project. The initial appointment will be for a period of 12 months.

Applicants should have a Bachelor's Degree, preferably in Science, Education or other qualification of equivalence. Teaching experience in local schools is an advantage. Applicants should be attentive to details, self-motivated, and able to work under pressure.

For further enquiries about the post, please contact Dr LEE Hoi Man at hoimanlee@eduhk.hk

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **26 August 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
