

Research Assistant I (Ref: 2600761)
Faculty of Liberal Arts and Social Sciences

Project Title: ICRS-10 Early Detection of Depression Using IMU-based Gait Analysis and Machine Learning

[Appointment Period: 6 months]

The appointee will mainly provide support to a research project on the development of an automated depression-detection framework. He/She will assist the Project Investigator in steering the project and providing administrative, logistical and research support for the implementation of project activities; liaising with internal and external members; data collection and analysis; and carrying out general administrative duties. The appointment will be for a period of 6 months with the possibility of extension subject to mutual agreement.

Applicants should

- have a Bachelor's Degree, preferably in Psychology or a related discipline;
- have experience in research projects and data collection;
- possess basic knowledge of AI and be able to use AI tools responsibly;
- demonstrate good analytical skills and communication skills in both Chinese and English; and
- be self-motivated and responsible.

For further enquiries about the post, please contact Prof. Chow Hung Kay Daniel at danielchow@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **21 September 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
