

**Research Assistant II (Ref: 2600889)
Centre for Psychosocial Health**

**Project Title: Cognitive development across adulthood: A population-based normative study
[Appointment Period: 6 months]**

The Centre for Psychosocial Health is recruiting a Research Assistant II to support research projects involving neuropsychological assessment. The appointee will be responsible for conducting literature reviews, developing research materials, assisting in the coordination and administrative work of these projects, supporting data collection and data analysis, writing papers for conferences and manuscripts, writing reports, and performing any other duties as assigned by the research team. As the Centre conducts collaborative research with The University of Hong Kong (HKU), the appointee will be required to perform duties off-campus. The initial appointment is for a period of six months, with high possibility of renewal upon mutual agreement.

Applicants should have at least Level 2 or equivalent or above in five subjects, including Chinese Language, English Language, and Mathematics in HKDSE; or Grade E (Level 2) or above in five subjects, including Chinese, English (Syllabus B), and Mathematics in HKCEE or equivalent; Applicants are preferably to have a relevant Bachelor's Degree in psychology, public health, data science, or a related discipline with strong interpersonal and communication skills, good command of both written and spoken English and Chinese (including Cantonese), self-motivation, and the ability to work independently, preferably with some experience in supporting research and training programmes.

For further enquiries about the post, please contact Professor Wai-Kai Hou at wkhou@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **21 October 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at <http://www.eduhk.hk>.

EdUHK is an Equal Opportunities Employer.
