

Senior Research Assistant (Ref: 2600885)
Department of Psychology

Project Title: Longevity Research Cluster – Building Up Integrative Brain and Cognitive Reserve of Middle-Aged and Young Old Adults
[Appointment Period: around 10 months]

The appointee will be primarily responsible for supporting the Longevity Project. The appointee will be responsible for assisting in the works of research projects relating to physical activity in older adults, conducting literature review, drafting and revising manuscripts, assisting in the coordination and administrative work of the project, fNIRS related data collection and data analysis, also performing any other duties as assigned by the Principal Investigator or their delegate(s).

Applicants for the post of Senior Research Assistant should have a Master's degree plus one year's post-master's degree full-time working experience, or a doctorate, preferably in Psychology, Neuroscience, Public Health, or Sports related disciplines. Proven experience in academic writing and manuscript preparation is highly preferred. Experience in quantitative data analysis and statistical software (e.g., SPSS, or R) would be an advantage.

They should also have a good command of written Chinese and English, a good command of Cantonese, as well as be conversant in English; have good interpersonal skills and organizational skills. The appointee will also perform other duties as assigned by the Principal Investigator or their delegate(s).

For further enquiries about the post, please contact Prof Chetwyn Chan at cchchan@eduhk.hk or Dr Carman Leung at leungkaman@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **27 October 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
