

Research Assistant II (Ref: 2600898)
Department of Mathematics and Information Technology

Project Title: Simulating Human–AI Relations for Responsible Creativity in CWrite: A Multi-Agent Sandbox for Emotional Wellbeing and Creative Writing
[Appointment Period: 6 months]

The appointee will work on a research project involving the development of intelligent agents to enhance students' writing. He/She will support the research team in planning, developing, conducting, evaluating, and coordinating project activities. The appointment will be for approximately 6 months.

Applicants should have a Bachelor's Degree in Computer Science, Engineering, or a related discipline, with an interest in innovative learning and artificial intelligence. They should possess:

- o Experience in AI agent development, or related software engineering;
- o Knowledge of large language models, prompt engineering, or AI-assisted writing technologies;
- o Conference presentation experience, preferably with the ability to present research findings in English;
- o Good communication, presentation, and interpersonal skills in both written and spoken English;
- o Strong administrative, organizational, and project management skills;
- o Demonstrate a positive, proactive, and enthusiastic attitude, and the ability to contribute to a pleasant and collaborative team environment.

For further enquiries about the post, please contact Dr Yang Yin Nicole yyin@eduhk.hk

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **20 October 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
