香港教育大學
The Education University of Hong Kong

Senior Research Assistant / Research Assistant I (Ref: 2601026)
Centre for Learning, Teaching and Technology

Project Title: The Artificial Intelligence and Digital Competency Strategy for Innovation and Education Futures

[Appointment Period: 12 months]

The appointee will be responsible for providing research and coordination support for a large-scale artificial intelligence (AI) and digital competency project. Duties include conducting literature review on AI in education, developing and validating research instruments; conducting quantitative and qualitative data analysis; writing academic papers and reports on AI in education; as well as performing other duties assigned by the project principal investigator and his/her delegates. The appointment will be for a period of 12 months and renewable subject to good performance and mutual agreement.

For the post of Senior Research Assistant, applicants should have a Master's Degree in Artificial Intelligence, Educational Technology, Computer Science, Data Science, Engineering, Psychology, and/or related disciplines, plus one-year post Master's degree full-time working experience, or a Doctoral Degree.

For the post of Research Assistant I, applicants should have a Bachelor's degree in Artificial Intelligence, Educational Technology, Computer Science, Data Science, Engineering, Psychology, and/or related disciplines.

Applicants should have an excellent command of written English and Chinese, high capability of conducting statistical analysis, and writing academic papers and reports independently. A sound background in statistics and experience in using statistical packages such as SPSS and R, is advantageous. They should be self-motivated and able to work as a team member. Applicants with academic background and research experience in related fields would be preferable. Immediate availability is preferred.

For further enquiries about the post, please contact Ms Iris Kam at lskam@eduhk.hk

Applicants who have responded to the previous advertisement (Ref: 2600762 & 2600847) for the same position are under consideration and need not re-apply.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **3 December 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at *http://www.eduhk.hk.*
