香港教育大學
The Education University of Hong Kong

Research Assistant II (Ref: 2600976)
Department of Science and Environmental Studies

Project Title: Engaged Science Learning: Fostering Inquiry-Based Experiences through Hands-On Experimental Activities in Infectious Disease Prevention
[Appointment Period: 4 months]

The appointee will provide support for the development and implementation of teaching and learning activities under the project. Major duties will include developing and preparing teaching and learning materials and lesson plans; supporting the design and implementation of classroom activities; supporting school-based teaching and project activities; assisting in the evaluation and refinement of teaching materials and lesson plans based on feedback; preparing project-related reports, records, and documentation; liaising with schools, teachers, and project team members as required; and performing any other teaching, administrative, and project-related duties as assigned. The appointment will be for approximately 4 months.

Applicants should have Level 2 or equivalent or above in 5 subjects including Chinese Language, English Language and Mathematics in the HKDSE; or Grade E (Level 2) or above in 5 subjects including Chinese, English (Syllabus B) and Mathematics in HKCEE or equivalent. Preference will be given to applicants with relevant experience in teaching, lesson planning, development of teaching and learning materials, or school-based educational projects. Experience in supporting school-based teaching activities and working with teachers and students will be advantageous. Applicants should have a good command of written and spoken English and Chinese, including Putonghua and Cantonese. They should be able to work independently and collaboratively, possess good interpersonal and communication skills, pay attention to detail, and be self-motivated, well-organized, and able to work under pressure.

For further enquiries about the post, please contact Dr Chong Yee Ling at ylchong@eduhk.hk

---

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **3 December 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at *http://www.eduhk.hk.*
