香港教育大學
The Education University of Hong Kong

Post-doctoral Fellow (Ref: 2601002)
Department of Health and Physical Education

Project Title: HKJC Project - Strengthening Physical Literacy for Preschoolers Project

[Appointment Period: 12 months]

The appointee will be responsible for supporting a project that aims to promote physical literacy among kindergarten children in Hong Kong and enhance teachers' efficacy in delivering quality physical activity and movement-related learning experiences in preschool settings.

The appointee will contribute to the implementation and evaluation of project activities. Major duties include supporting data collection and project evaluation activities; conducting quantitative and/or qualitative analyses of project data; preparing scientific manuscripts for publication in peer-reviewed journals; developing conference presentations, reports, and other dissemination materials; assisting in the interpretation and reporting of research findings; coordinating with project partners and stakeholders on research-related matters; and performing any other duties as assigned by the supervisors. The post will require travel to kindergartens and other venues across Hong Kong for data collection and project-related activities.

Applicants should have a Doctoral Degree in Early Childhood Education, Sport Science, Physical Education, Public Health, or a related discipline. They should demonstrate excellent analytical, organisational, and communication skills. They should be self-motivated, capable of working independently as well as collaboratively in a multidisciplinary team, and able to manage multiple tasks effectively. Applicants should be proficient in both written and spoken English and Chinese. A strong publication record in peer-reviewed journals will be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **10 December 2026**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.

Further information about the University is available at *http://www.eduhk.hk.*
