International Conference on Computational Thinking Education 2020 EasyChair User Manual

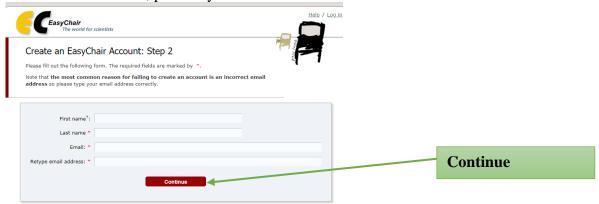

CTE2020 EasyChair: https://easychair.org/conferences/?conf=cte2020

- If you have already had an account, please go to Step 2 (page 2).
- If you have never used EasyChair before, you must register an account (for free).

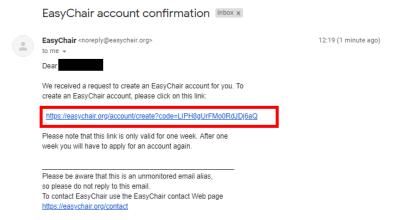

1. After Robot Check, provide your name and email address. Click "Continue".

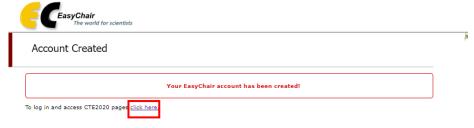

2. A confirmation e-mail will be sent to your e-mail address. Access the URL provided in the e-mail and continue the account registration.

3. Complete your registration by providing all the required information within 30 minutes. Then click "Create my account".

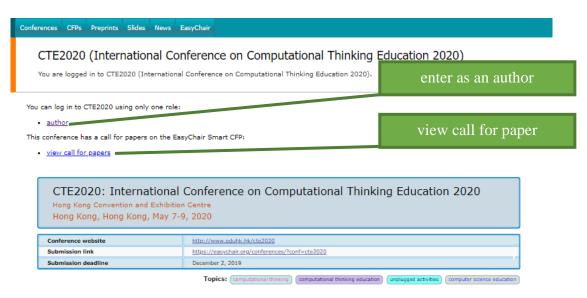

4. The account has been created. Log in for CTE2020 by clicking "click here".

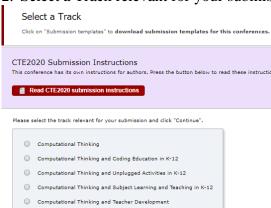

Step 2: Paper Submission

1. After login to your account, you can view the details of the conference in "view call for papers", or you can continue login as an author to make a submission in "author".

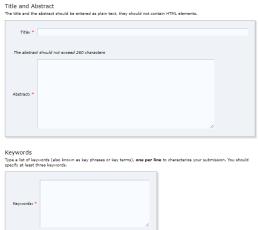

2. Select a Track relevant for your submission and click "Continue".

- 3. Provide the author(s) information.
 - Please mark the corresponding author and the speaker.
 - If there are more than three authors, please click "Click here to add more authors".

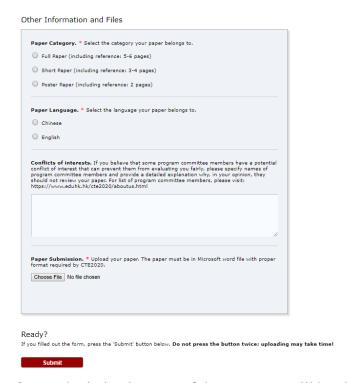

4. Provide the submission details (i.e. Title, Abstract, and Keywords). The abstract should contain no more than 250 words. Author should type at least 3 keywords (at most 5), one per line.

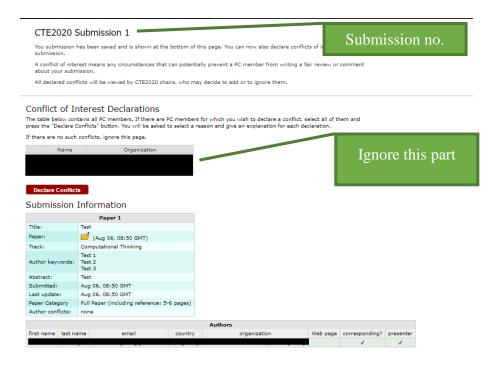

5. Select your paper category and language, and declare conflicts of interests (if any). After that, Please upload and submit the paper as a single MS Word file that is editable for Secretariat's format check. Please include authors' names, affiliations and email addresses in the file.

After format check, Secretariat will upload the manuscript with authors' identities removed in PDF format for IPC review. Therefore, the review process will be anonymous.

Before submitting your manuscript, please give your manuscript file a final read-through to ensure it fulfills the standard format and paper-length required by CTE2020.

6. Once submission is successful, your paper will be given a Submission Number. Please ignore the "Conflict of Interest Declarations" section in the page, as declaration (if any) is completed in the previous step.

7. If you need to update your submission, click "Submission (no.)" on the main menu, then click option(s) on the vertical menu bar in the upper right corner. Please note that you will not be able to submit updated file after the submission due date (Dec 2, 2019).
