Part II

The University's Graduate Attributes and seven Generic Intended Learning Outcomes (GILOs) represent the attributes of ideal EdUHK graduates and their expected qualities respectively. Learning outcomes work coherently at the University (GILOs), programme (Programme Intended Learning Outcomes) and course (Course Intended Learning Outcomes) levels to achieve the goal of nurturing students with important graduate attributes.

In gist, the Graduate Attributes for Undergraduate, Taught Postgraduate and Research Postgraduate students consist of the following three domains (i.e. in short "PEER & I"):

- Professional Excellence;
- Ethical Responsibility; &
- Innovation.

The descriptors under these three domains are different for the three groups of students in order to reflect the respective level of Graduate Attributes.

The seven GILOs are:

1. Problem Solving Skills
2. Critical Thinking Skills
3. Creative Thinking Skills
- 4a. Oral Communication Skills
- 4b. Written Communication Skills
5. Social Interaction Skills
6. Ethical Decision Making
7. Global Perspectives

** The course will be taught mainly in English while Chinese may also be used subject to specific classroom learning and teaching needs.*

1. Course Synopsis

A smooth interface between kindergarten and primary is vital in facilitating very young learners' emotional and habitual preparation for their promotion to primary school. This course aims at empowering in-service primary schools teachers in Key Stage 1 and middle managers in curriculum tailoring to help support children of KG age in adapting to their new learning environment. Teacher participants will conduct kindergarten visits, devise age-appropriate learning content, expectation, assessments as well as teaching strategies according to the very young learners' cognitive and developmental readiness.

2. Course Intended Learning Outcomes (CILOs)

Upon completion of this course, students will be able to:

- CILO₁ demonstrate an understanding of the children's development and needs in the transition from kindergarten to primary school [PILO₁, PILO₂];
- CILO₂ plan and design learning and assessment materials to help primary 1 learners adapt to primary school life [PILO₂, PILO₃, PILO₄]; and
- CILO₃ demonstrate an understanding of how to involve different stake holders in KS1 curriculum tailoring and evaluation [PILO₂, PILO₃, PILO₄].

3. Course Intended Language Learning Outcomes (CILLOs)

Upon completion of this course, students will be able to:

- CILLO₁ use spoken and written English to articulate and discuss concepts and issues related to curriculum tailoring in the transition of kindergarten to primary.
