

Arrangement for Municipal Solid Waste Charging in the EdUHK

2024 . 4 . 16
Venue: D2 – LP – 08

零廢·減碳

Zero Waste · Carbon Neutrality

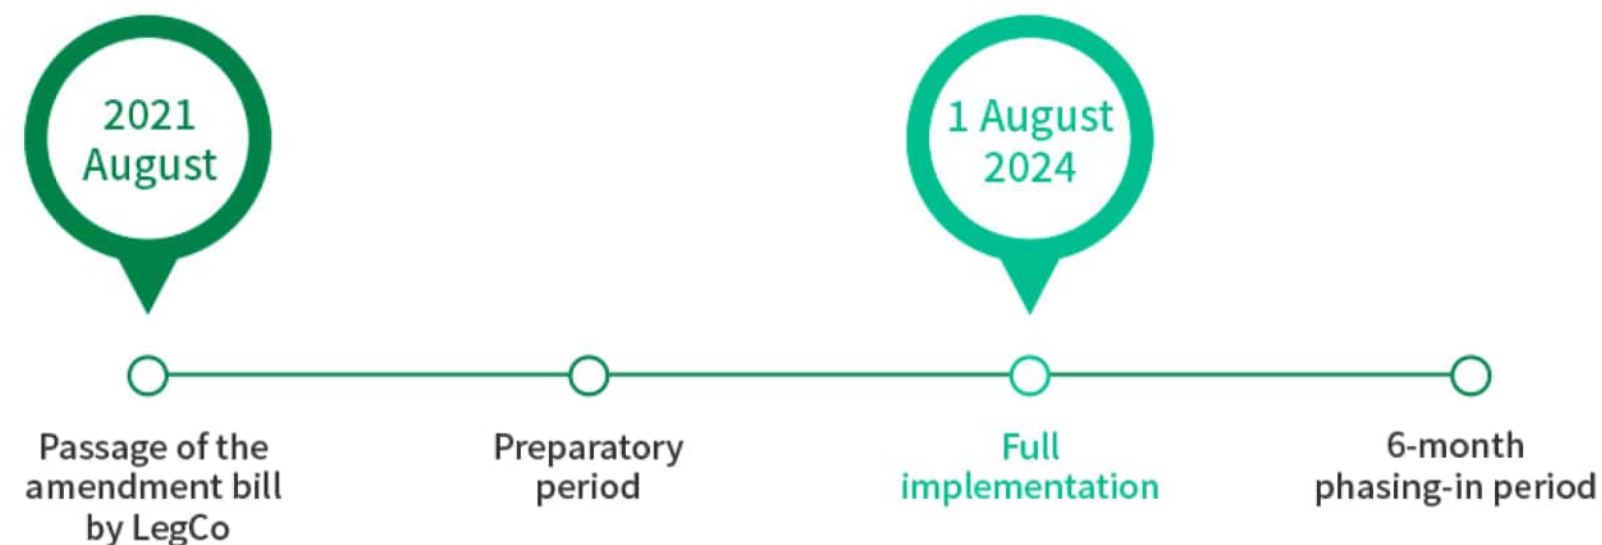

一起扭轉習慣，從源頭減廢，做好分類回收

Let's change our habit, reduce waste at source and recycle more

Background

The Government announced that in line with the “polluter-pays” principle, all wastes disposed of by residential and non-residential premises in Hong Kong will be subject to charging based on its quantity.

Municipal Solid Waste (MSW) Charging will be implemented on **1 August 2024**.

Charging Mechanism after 1 August 2024

Charging by designated bags

We need to wrap all wastes in *designated bags* properly

揀垃圾 用指定袋

Use Designated Bag for Waste Disposal

Charging by designated labels or through "gate-fee"

For waste that cannot fit in designated bags, *designated label must be affixed* on each piece of oversized waste or charging by *weight-based "gate-fee"*

Price not included
transportation fee

- \$395 Per Tonne
- \$365 Per Tonne

Carbon Wallet – 記「綠」生活賺獎賞

What is Carbon Wallet?

Carbon Wallet (CW) is a one-stop green lifestyle reward platform developed by MTR. You can earn points by taking MTR, walking, recycling and borrowing a reuseable lunchbox vending machine at Canteen. The CW points can be used to redeem green rewards, including MTR free rides, skincare products/coupons, green products, green dining, etc.

Green Point 智能膠樽回收

收飲品膠樽有\$贈 Rebate for Recycling Plastic Beverage Bottles

A new plastic bottle recycling machine was installed at B2 G/F. Staff and Students can earn AlipayHK cash (\$0.1 rebate per bottle) from successfully recycled empty plastic bottles that can be purchased in HK.

TIPS

TIPS FOR RETURNING PLASTIC BOTTLES

1. Keep barcode, sleeve and bottle cap
2. Empty the plastic bottle and keep it undeformed
3. Bottle volume between 100mL and 2L
4. Maximum daily limit of 30 containers

回樽小貼士 Recycling Tips

- 保留條碼、招紙及樽蓋
- 清空膠樽及確保樽身沒變形
- 膠樽容量介乎200毫升至2升
- Keep **barcode**, **sleeve** and **bottle cap**
- **Empty** the bottle and keep it **undeformed**
- Bottle volume from **200mL to 2L**

使用方法 User Guide

1. 按下入樽機螢幕上的「開始」按鈕, 然後點選「支付寶香港」
2. 在手機上開啟支付寶香港應用程式, 點選「增值」, 然後點選「門店現金增值」
3. 掃描「門店現金增值」二維碼
4. 將膠樽放入入樽機
5. 完成後按下「結束」按鈕

1. Press "Start" button on the screen of the Reverse Vending Machine (RVM). Click the "AlipayHK" button
2. Open AlipayHK app on your mobile phone. Click "Top up" and then "Top up with cash"
3. Scan the QR Code of "Top up with cash"
4. Insert the bottle into the RVM
5. Press "End" button when finish
