 - Presented papers in the conference presentations (e.g. International Conference on Teaching and Education Sciences, The Hong Kong Psychological Society Annual Conference etc.)
 - Successfully graduated from further studies to become Psychologists and Therapists

Graduates' Words

“

After working as a frontline teacher, I wanted to study psychology to gain a deeper understanding of how our brains learn and to examine ways of increasing our ability to comprehend and retain knowledge. This programme has equipped me with a well-rounded background knowledge of psychology as well as research skills to pursue professional training in educational psychology.

Miss Elaine Tang, Educational Psychologist
Alumna of MSocScP(SCS)

”
