

# Bachelor of Education (Honours) (Professional and Vocational Education) 教育榮譽學士（專業及職業教育）

## Special Features

- The programme provides the opportunity for teachers in all fields of PVE to obtain a professional qualification with QTS eligibility at Bachelor's degree level.
- It also provides the opportunity for skilled practitioners to obtain a teaching qualification for teaching in Applied Learning and other vocational fields.
- It uses a flexible teaching-learning approach, including face-to-face classes and teaching-learning engagements held on-line and in industry and other workplace settings.
- The Field Experience is contextualised to each participant's area of PVE practice, which enables a tailor-made supervision of each student.
- Elective courses are selected from a range of alternatives, which helps students build up a broad professional knowledge base.

## Participants

Educators, experienced professionals in the fields of PVE and other teachers interested in developing a career in professional and vocational education.

## Programme Structure
