*including Second Major or Minors

*Any aspect of the course and course offerings (including, without limitation, the content of the course and the manner in which the course is taught) may be subject to change at any time at the sole discretion of the University. Without limiting the right of the University to amend the course and its course offerings, it is envisaged that changes may be required due to factors such as staffing, enrolment levels, logistical arrangements and curriculum changes.

General Admission Requirements

HKDSE applicants must have:

- Level 3 or above in English Language and Chinese Language; AND
- Level 2 or above in Mathematics (Compulsory Part), Liberal Studies and one elective subject

Note Excluding Applied Learning Chinese

The Programme will also consider applicants with recognised qualifications other than HKDSE. For details, please visit www.eduhk.hk/degree/nonjupas.htm
Study Pathways

Graduates may continue their professional development through postgraduate studies and extend their career horizons to academic/teaching professionals, occupational therapists, speech-language pathologists, social workers, arts or expressive therapist, job placement specialists or consultants in the field of inclusive and special education.

Remark: The BA(SE) programme helps students pursue careers related to education and human services. Completion of the Programme will not lead to Qualified Teacher Status (QTS) in Hong Kong. Upon graduation, students interested in pursuing professional teacher training may apply for a Postgraduate Diploma in Education (PGDE) or programmes granting a QTS qualification.

Career Opportunities

Possible career opportunities are available in schools, government and non-government agencies:

- Project Officer, Liaison Officer, or Community Support Officer
- Special Education Coordinator / Facilitator
- Executive Officer or Equal Opportunities Officer
- Teaching Assistant, Learning Mentor, or Project Coordinator
Bachelor of Social Sciences (Honours) in Psychology

Special Features

The Programme emphasises the integration of subject knowledge, professional knowledge and practical abilities.

The Programme works with a wide range of early childhood education institutions. Our comprehensive field experiences give students the chance to strengthen their connections between theory and practice.

Graduates of this Programme will be qualified for registration with the Education Bureau/Social Welfare Department to teach in licensed early childhood settings in Hong Kong, and meet the professional qualifications required of kindergarten principals and child care supervisors.

Graduates of this Programme who complete:

- the specified courses in the Minor Diversity in Early Years will be considered as having acquired training on the One-year In-service Course in Special Child Care Work recognised by the Social Welfare Department;

- the Minor Teaching and Learning in International Schools will receive the International Baccalaureate Certificate in Teaching and Learning.

Part-time

Full-time
General Admission Requirements

Applicants are normally required to possess Level 2 or above in five HKDSE subjects. These should include Chinese Language and English Language (not more than two Applied Learning subjects).

Streams of Study

The programme will offer two streams of study in the 2021/22 academic year:

- **Chinese as the Medium of Instruction (CMI)** - The medium of instruction is mainly Chinese. English will be adopted as the language of instruction for specific courses, as deemed appropriate.

- **English as the Medium of Instruction (EMI)** - The medium of instruction is mainly English.

Students will be given the opportunity to choose either the CMI or the EMI stream upon admission to the programme. The final allocation of students to the CMI or EMI stream will be decided by the University.

“Our graduates can apply for the University's Bachelor of Education (Honours) (Early Childhood Education) Programmes (Part-time), enabling them to obtain a higher academic qualification.”
