The Education University of Hong Kong (EdUHK)

EdUHK, a publicly funded university, is dedicated to advancing learning and teaching through diverse academic and research programmes in education, sciences, social sciences, and humanities. Renowned for research excellence, we drive knowledge and innovation, creating a sustainable impact on social progress and human betterment. Ranked in the top 35% globally (406th) and 122nd in Asia in the QS World University Rankings 2027, EdUHK also stands 7th globally, 2nd in Asia and 2nd in Hong Kong in Education in the QS University Rankings by Subject 2026. Our vision is to be a leading university in the Asia Pacific and beyond, excelling in educational research, development, and innovation.

Faculty of Liberal Arts and Social Sciences (FLASS)

Diversity is at the heart of FLASS. Dedicated educators and committed researchers conduct close interdisciplinary collaborations among many different academic disciplines in liberal arts, social sciences, and pure and applied sciences. We provide our students with a comprehensive education, equipping them with the necessary academic knowledge and soft skills for the teaching profession and other career opportunities. Our aim is to ensure that our graduates are not only prepared for an AI-enabled world, but also committed to shaping it responsibly and effectively.

Our Departments

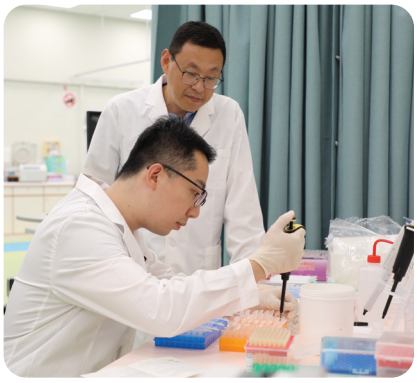

- Health and Physical Education (HPE)
- Mathematics and Information Technology (MIT)
- Science and Environmental Studies (SES)
- Social Sciences and Policy Studies (SSPS)

Our Scholars

FLASS has over 180 researchers with diverse research areas and strong international reputations. 25 scholars of FLASS were named among the top 2% most-cited scientists in the world, in the latest annual rankings published by Stanford University.

The profiles and research interests of FLASS eligible supervisors can be found at https://bit.ly/4aZDAXh

Available Funded Scholarships

➤ The Hong Kong PhD Fellowship Scheme (HKPFS)

The HKPFS aims to attract the best and brightest students in the world to pursue their PhD studies in Hong Kong. The scheme awards applicants with outstanding qualities of academic performance, research ability/potential, communication and interpersonal skills, and leadership abilities. Stipend and conference/research-related allowance will be provided.

➤ Research Postgraduate Studentship and Other Scholarships

All full-time students admitted to the Research Postgraduate (RPg) programmes are automatically considered for Research Postgraduate Studentship (RPGS). It provides the RPg students with financial assistance to pursue the programme. RPGS is granted based on academic merit, and the award is not taxable. The value of the studentship shall be determined by the University from time to time. The University also provides other forms of scholarships and financial aids for RPg applicants.

Awards

FLASS establishes the Outstanding Research Postgraduate Student Award (OPSA), which recognises RPg students with exceptional ability in conducting high-level research and making contributions to the scholarly literature in their respective fields (in terms of output and/or impact). These students are also actively involved in faculty and department activities.

The Faculty also provides RPg students with opportunities to participate in teaching related activities. The best performer in each department will be presented with the Best RPg Teaching Award.

Application Period

From 1 September 12:00 noon HKT to 1 December 11:59 pm HKT

Faculty Postgraduate Seminar (FPS)

The FPS serves as a valuable platform for RPg students to share and exchange ideas, discover new knowledge, and explore potential research collaborations. In addition to featuring international scholars and PhD students who are invited to share their insights and research experiences, the biannual event provides our RPg students with the opportunity to present their research through posters or oral presentations. The Best Speaker and Best Poster Presenter Awards will be presented to the top performers.

Student Activities

A series of student enrichment and social activities are arranged throughout the year to enhance students' interpersonal skills and sense of belonging. Events such as barbecues, tea gatherings, sports and historical and cultural visits serve as a communication platform for RPg students and faculty members to mingle with each other.
