

## Post-iGeo excursion Option B:

### 4-Day-3-Night Hong Kong Culture and Nature Tour

6-9 August 2019

Hong Kong, as a city in South China, always being presented as a well-developed cosmopolitan city with its high rise buildings and spectacular skyline. In this post-excursion, you might go through an experience with different images of Hong Kong: a sustainable city with rich culture and history. You will learn the history of colonial Hong Kong by visiting various historical sites; you will experience a nature Hong Kong through the beautiful hiking trail and local fishing village; you will have a glimpse of Chinese culture and sustainable development by visiting revitalized sites in the theme of “Cultural Heritage”.

#### Brief Itinerary:

- Walking tour @ **Central district**: learn the history of Hong Kong under British rule and witness how local culture is preserved and changed at the same time.
- **PMQ**: one of the recently revitalized building and the center of the local art and creativity
- **The Peak** by coach: enjoy the panorama view of the Victoria Harbour
- **Hiking around Ngong Ping** of the Lantau Island: enjoy the fabulous view of West HK and the Hong Kong-Zhuhai-Macao Bridge
- **Tai O village** of the Lantau Island: a local fishing village and now a tourist spot by its well preserved culture and nature
- **Ocean Park**: enjoy the theme park and its education program
- **Tsim Sha Tsui**: walking tour @ Kowloon Park and enjoy the Shoppers’ Paradise
- **Jao Tsung-I Academy**: explore the heritage of Chinese culture in a cosmopolitan city like Hong Kong

**\*For reference only and may be adjusted subject to different conditions.**
