(All information was checked via the Hong Kong eTransport of the Transport Department as at February 2019.)

Remarks:

1. Hall point in Home Location is referred to the travelling time as given by the Hong Kong eTransport of the Transport Department, checked and justified on February 2019, according to the following parameters:
2. The travelling time determined by the Hong Kong eTransport is not necessarily the actual travelling time that a student spends nor the actual transport modes that he/she takes. However, it provides a common base and a reference point to assign a home location hall point which is considered more standardized.
3. Locations are not included in point system can be checked via the Hong Kong eTransport of the Transport Department, <http://www.hketransport.gov.hk/>, for the travelling time so as to match with appropriate address code.
