

Dear Residents,

### **Important Notice**

#### **Step up Precautionary Measures against Severe Respiratory Disease Associated with a Novel Infectious Agent**

In view of the latest situation of the pneumonia cases of the novel coronavirus infection detected in the Mainland and for public health in student halls, further to the measures announced on 6 January 2020, the following step up measures will be implemented in the four student halls/quarters with effect from 22 January 2020 (Wednesday):

1. All visitors and residents are required to take body temperature when entering student hall/quarter by the Duty Security Guard. Those with fever will be asked to wear a surgical mask, consult a doctor, and fill in the Health Declaration Form.
2. Residents who have travelled outside Hong Kong will be advised to fill in the Health Declaration Form for travel history in the past 14 days on a voluntary basis. The Health Declaration Form is available at the Reception/Security Counter of each hall/quarters and outside the pigeon hole of each room in NH, GH and RBH.
3. The cleaning frequency of lift buttons and door handles will be increased from 4-hours to 2-hours interval.
4. Hall facilities will be cleaned thoroughly with disinfectants after the Chinese New Year break.

Our Office will continue to closely monitor the development of the novel infectious virus and to step up precautionary measures as and where necessary.

Thank you for your understanding and support.

Student Affairs Office  
(Hall Management Section)
