Senate Room (M1603), Li Ka Shing Tower, The Hong Kong Polytechnic University

REGISTRATION BROCHURE

Organizer

Hong Kong Waste Management Association

Co-organizer

China Association of Urban Environmental Sanitation Chinese Institute of Environmental Engineering Macau Institution of Engineers

Background and Aims

In order to strengthen the exchange and cooperation of solid waste management in the Two Coasts and Four Places, Hong Kong Waste Management Association, China Association of Urban Environmental Sanitation, Chinese Institute of Environmental Engineering and Macau Institution of Engineers have co-organized the "Two Coasts Four Places Forum on Sustainable Solid Waste Management" annually since 2007. The forum in 2017 will be hosted by the Hong Kong Waste Management Association. It aims to provide a platform for the policy makers, government officials, academics, consultants, engineers and other professionals from the Cross Strait Two Coasts and Four Places to exchange the most recent views on policies and best practices for waste management as well as application of innovative waste recycling technologies to achieve sustainable development in world class cities.
