

Course Lecturer: Lau, Leung Kwok Prudence (Dept of CCA)

Course: ART2161 Art and Culture

Semester 2, 2016-17

Global elements to be incorporated

The course (ART 2161) enables students to examine social, cultural and identity issues in global historical and contemporary contexts. The relationship of art and culture will also be analysed in various cultural and theoretical perspectives. Current issues, inter-cultural relationships, and cultural factors affecting art development in both the Western and Chinese contexts will be challenged and addressed.
