Project Officer (Ref: PO/MIT/0520)
Department of Mathematics and Information Technology

The appointee will be responsible for supporting teaching and learning related work for a project entitled “Infuse STEM/STEAM elements into Mathematics and Information Technology Courses”. He/she will assist in preparing teaching and learning materials and performing other duties as assigned by the project leader. The appointment will be for a period of around 2 years with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor’s Degree, preferably a Master’s Degree or above in computer/electronic engineering, computer science, educational technologies or other related fields, plus several years of post-qualification full-time working experience. They should have good knowledge of micro-controlling hardware, sensors and actuators, mechatronics and robotics, and VR/AR/MR development. They should also have very good communicative skills and high writing proficiency in English and Chinese, especially in academic writing. The knowledge in education-related areas and the experience of paper publication will be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

Application Forms are obtainable from (a) http://www.eduhk.hk/hro/applyfor.htm; or (b) the Human Resources Office, 3/F, Cho Kwai Chee Foundation Building, The Education University of Hong Kong, 10 Lo Ping Road, Tai Po, New Territories, Hong Kong. The completed Application Form, together with full CV, should be sent to the Human Resources Office by email to hro1@edu.hk or by post to the above address on or before 19 May 2020. Please quote the reference number of the position in the application and mark “Strictly Confidential – Job Application” on the envelope. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.edu.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at http://www.edu.hk.
