

Research Assistant I (Ref: RAI/MIT/0920)
Department of Mathematics and Information Technology

The appointee will assist in conducting machine learning and deep learning research in computer science and education. The duties of the appointee will include writing computer programs, conducting literature review and conducting data analyses; supporting data collection activities; assisting in the coordination and administrative work of research projects; and other tasks as assigned. The initial appointment will be for a period of around 12 months, with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor's Degree in computer science, statistics or related disciplines. They should have good programming skills in Python, Java, Scala, and/or R and be enthusiastic about machine learning. Ideal candidates should be proficient in reading and writing English, self-motivated, reliable and able to work independently. Previous experience in machine learning research and Linux environment will be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

Application Forms are obtainable from (a) <http://www.eduhk.hk/hro/applyfor.htm>; or (b) the Human Resources Office, 3/F, Cho Kwai Chee Foundation Building, The Education University of Hong Kong, 10 Lo Ping Road, Tai Po, New Territories, Hong Kong. The completed Application Form, together with full CV, should be sent to the Human Resources Office by email to hro1@eduhk.hk or by post to the above address on or before **28 September 2020**. Please quote the reference number of the position in the application and mark "Strictly Confidential – Job Application" on the envelope. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
