KT Sub-office introduced **3** **INTERNAL FUNDING OPPORTUNITIES** in **JUNE** to staff and students for promoting the transfer of University's innovative knowledge from research to community and industry

Central Funding for Patent Applications

To encourage our staff to capitalize their intellectual work through patent registration, a new central fund was set up to support patent applications for the protection of inventions

For details, please click [here](#)

Education And Social Entrepreneurs “EASE” Fund

In order to establish a culture of entrepreneurship and social innovation in the University, a pilot entrepreneurship scheme and seed grant was launched to support formation of EdUHK startups. EdUHK welcome applications from students and alumni

For details, please click [here](#)

Knowledge Transfer Funds 2018/19

A call for applications for KT funds was issued to motivate EdUHK staff to create intellectual properties (IPs) and implement activities or initiatives for KT
