Access to ACVP

1. The University will issue and upload the electronic version of award certificates to ACVP website (https://www.acvp.hk/) for graduates on the first certificate distribution date for all four graduation dates.
2. Graduates can activate their ACVP account to access their credentials once the electronic version of award certificates are uploaded to the website by the University. (*Please refer to* How It Works *and* Help Centre *videos on the* ACVP website *for guidelines and procedures*).
3. Graduates can have full control to and share their credentials with future employers or educational institutions for further study via QR codes, URLs or PDF files generated from ACVP. Third parties employers or educational institutions can access the credential on ACVP via the above mentioned methods. Sharing parameters are defined by the graduates on their own preferences.
4. In contrast, gradautes may "Deactivate account" anytime via ACVP whenever needed. However, gradautes are to be reminded that "Deactivate account" service on ACVP is **non-reversible** and **non-revocable**. No make-up request to the University will be entertained. Once an account is deactivated, all the linked account(s) credentials on ACVP will be removed and will not be activate or allowed to re-uploaded the credential(s) again. You **MUST** think carefully before executing the Deactivate decision.
