You will be treated as 'UNOFFICIALLY WITHDRAWN' from the programme and

The FO will take into consideration of these students' financial assistance application results and the expected dates of receiving the financial assistance from the WFSFAA to extend or to make no change to the due dates accordingly. The extended due dates will then be updated accordingly in The Portal students' accounts, and students are responsible for checking their account balances and the extended due dates in The Portal from time to time after the due dates of University fees. Any students, who have applied for any financial assistance of WFSFAA after **14 October 2026 in Semester 1 and 12 February 2027 in Semester 2** and would like to apply for the payment deferment of the University fees, must send their payment deferment applications through email (fees@eduhk.hk) to FO with justification for consideration.

3. Tuition Fees Arrangements under Special Circumstances

---

1. Deferment of Studies

If your application for deferment of studies is submitted before the start of a semester or before the completion of the first half of a semester according to the academic calendar of the programme (completed week will be used for calculation), any tuition fees paid for the deferred semester(s) will be carried forward until you resume your studies. You are required to pay a continuation fee within two weeks upon approval. For details, please refer to the "Operational Guidelines Supporting General Academic Regulations" in the Student Handbook.

If your application for deferment of studies is received after the first half of a semester, the tuition fees paid for the deferred semester will not be refunded nor carried forward to the resumed semester. Tuition fees not paid for the deferred semester have to be paid upon resumption of studies.

2. Add/Drop of courses

You should complete add/drop of courses within the period set by the programmes. If your tuition is charged according to the number of credits taken in the semester, you are required to pay the full tuition for any courses dropped after the add/drop period of the programmes.

3. Withdrawal of Studies

You are required to pay the full tuition fees for the whole semester regardless of your date of withdrawal in the semester.

4. Extension Beyond Normal Period of Study

If you have to extend your normal period of study to take outstanding course(s) to complete the programme, you will have to pay additional fees on a pro-rata basis according to the number of courses/credit points (including Field Experience) taken in the extended period of study.

Students of Research Postgraduate Programmes, who need to extend their study beyond the normal study period, and students of self-financed Postgraduate Programmes who need to extend the study beyond the normal study period as specified by the respective programme, are required to pay an Extension Fee. For details of the Extension Fee, please refer to Section 1.4 "Other Fees" of this Chapter and individual Programme Handbook/information.

5. Fast Track Study

If you have completed all the graduation requirements of a programme faster than the normal period of study, you are still required to pay the full tuition fees of the programme. No reduction of tuition fees nor refund of fees will be arranged despite the shortened period of study time.

6. Credit Transfer

Upon approval of credit transfer, students still have to pay full tuition fee irrespective of the number of credit point(s) being transferred. However, tuition fee would not be charged for course(s) granted credit transfer if the fee is charged according to the number of credits taken.

7. Student Contribution to Student Activities outside Hong Kong

In addition to the tuition fees paid, students have to make contribution for participating in student activities outside Hong Kong including various immersion programmes, regional summer institute, student exchange programmes, and study visits. Some of these activities are compulsory (which can be credit-bearing or non credit-bearing) and students have to participate in order to fulfil the graduation requirements. The following are examples of compulsory student activities outside Hong Kong :

- Postgraduate English Language Immersion Programme
- Postgraduate Putonghua Language Immersion Programme
- BEd (EL) English Language Immersion Programme
- BEd (CL) Putonghua Language Immersion Programme

- BA(Lang Studies) & BEd(EL) Immersion Programme
- Study Visit for BEd (Geog)
- Regional Summer Institute for BA(CAC)

Some of the activities are optional or non-credit-bearing. They include:

- Study visits
- Student exchange programmes

The percentage of student contribution to the total cost of student activities outside Hong Kong is shown in the following table:

	Students' Contribution Percentage to Total Cost of student activities outside Hong Kong	
	Pre-service Students	In-service Students
Compulsory student activities outside Hong Kong	Not less than 18% of the best estimated unit cost of the activities*	Not less than 30% of the best estimated unit cost of the activities*
Optional or Non-credit-bearing student activities outside Hong Kong (e.g., optional language immersion programmes, study visits, etc)	Not less than 50% of the best estimated unit cost of the activities*	Not less than 75% of the best estimated unit cost of the activities*

** These Student Contribution Percentages to Total Cost of student activities outside Hong Kong only apply to Full-time students studying UGC-funded undergraduate programmes. Students studying in non UGC-funded programmes will have to pay full cost of student activities outside Hong Kong.*

All activity fees must be settled prior to the commencement of the respective activity. Based on past experience, pre-service students who are successful applicants of the Government's Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS) may be provided with additional grant by the WFSFAA after completion of the compulsory and credit-bearing student activities outside Hong Kong. The amount of additional grant is based on the result of vetting of

students' TSFS application, and in terms of reimbursement to students' prior expenses incurred. Separate application to WFSFAA for the additional grant is not required. (Training/Internship/Placement/Exchange Programme will not be considered.)

Student are required to pay tuition fees and any other fees in the semester which he/she undertakes self-arranged immersion/ exchange outside Hong Kong as this process is initiated by the student. (self-arranged meaning self-initiated, not arranged by the University)

8. Change of Local/Non-local Student Status

Students who have changed their local/non-local student status or visa type (such as from holding a student visa to an employment visa, or vice versa) during their period of study at the University should report to Registry for updating this change in the University's records with original copy of supporting documents. If the reported change is recorded in the University's records after the issue of Consolidated eBilling Notice, any adjustment in fee assessment arising from change in local/non-local student status will only be effected in the following semester/term. For enquiries, please approach Registry (on change of personal particulars) or Finance Office (on fees).

4. Financial Assistance

---

1. Government Grant and Loan

The Working Family and Student Financial Assistance Agency (WFSFAA) of the Government provides means-tested financial assistance to full-time needy students through the Tertiary Student Finance Scheme - Publicly-funded Programmes (TSFS)[Note 1] or Financial Assistance Scheme for Post-secondary Students (FASP)[Note 1] in the form of a grant and/or loan. The grant is to cover tuition fees and academic expenses. The loan is for living expenses and is interest-bearing at 1.0% per annum chargeable from the commencement of the repayment period which begins upon a student's graduation or leaving the University. The loan is repayable in 180 monthly instalments within 15 years after graduation or termination of study. Please visit WFSFAA's website for details of the Government Grant and Loan at: (For full-time UGC-funded programmes);
https://www.wfsfaa.gov.hk/en/sfo/postsecondary/tsfs/overview.php (For full-time self-funded undergraduate programmes)

2. Hostel Subsidy

Undergraduates who have passed the means test of TSFS or FASP (i.e. with grant offered) and are confirmed to have resided in student halls provided by their institutions for at least 75% of the time during the semesters are eligible for the hostel subsidy. The subsidy is to be disbursed on a semester basis. Eligible students need not file separate applications for the hostel subsidy. The amount of subsidy will be equal to the hall fee payable or HK$10,840 per year/ HK$5,420 per semester, whichever is lower. The actual amount of subsidy receivable by each eligible undergraduate is to be determined with respect to the student's level of assistance assessed in the mean test. The amount will be credited to the designated bank accounts of the eligible students by autopay. Please visit WFSFAA's website for details of the Hostel Subsidy at:
https://www.wfsfaa.gov.hk/en/sfo/postsecondary/tsfs/level.php (For full-time UGC-funded programmes)
https://www.wfsfaa.gov.hk/en/sfo/postsecondary/fasp/level.php (For full-time self-funded undergraduate programmes)

3. Academic Expenses Grant for Students with Special Educational Needs and Financial Needs Pursuing Post-secondary Programmes

Undergraduates who have passed the means test of TSFS or FASP (i.e. with grant offered) will be offered additional academic expenses grant of up to HK$10,250 in 2026/27 academic year. The actual amount of subsidy receivable is to be determined with respect to the student's level of assistance assessed in the means test of the WFSFAA. Please visit WFSFAA's website for details at:
https://www.wfsfaa.gov.hk/en/sfo/postsecondary/tsfs/level.php (For full-time UGC-funded programmes)

4. Travel Subsidy

Students up to the first degree level who are successful applicants of the TSFS or FASP and reside more than 10 minutes' walking distance from your normal place of study and need to travel to campus by public transport may be eligible for a travel subsidy. Please visit WFSFAA's website for details: https://www.wfsfaa.gov.hk/en/sfo/postsecondary/sts/eligibility.php.

5. Non-means Tested Loan Schemes

The WFSFAA also provides Non-means-tested Loan Schemes (NLS)[Note 1] for eligible full-time and part-time students. NLS loans are solely used to settle tuition fees. The NLS operates on a full-cost recovery basis. Loan borrowers have to pay interest for their loans. Interest rate is charged at the Government's no-gain-no-loss rate which will be reviewed by the end of each month and if adjustment is to be made, the adjusted rate will take effect from the first day of the following month. Interest is accrued at the prevailing NLSFT/NLSPS/ENLS interest rate upon loan drawdown and throughout the study period until the loan is repaid in full. The NLS loan is repayable in 180 monthly instalments within 15 years after graduation or termination of study. An annual administrative fee is chargeable for each application and thereafter until the NLS loan is fully repaid. The interest rate and administrative fee will be reviewed regularly. Students may apply for deferment of loan repayment if they have difficulties in repaying the loans due to further studies on full-time courses, financial hardship or serious illness. For details on interest and administrative fee, please refer to https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsft/interest_and_fee.php.

Please visit WFSFAA 's website for details of the Non-means Tested Loan Schemes at:

https://www.wfsfaa.gov.hk/en/sfo/postsecondary/enls/overview.php (Others programmes)

Note 1: Students applying for the TSFS/FASP/NLS should have the right of abode in Hong Kong Special Administrative Region ("Hong Kong") or have resided or have had their homes in Hong Kong continuously for three complete years prior to the commencement of the programme. This does not cover students staying in Hong Kong holding student visas. Detailed information of the above schemes is available at https://www.wfsfaa.gov.hk/sfo/eng/index.htm.

6. Exchange Subsidy

The Scheme for Subsidy on Exchange for Post-secondary Students (SSE) and the Scheme for Means-tested Subsidy on Exchange to "Belt and Road" Regions for Post-secondary Students (Means-tested SSEBR) are offered by Education Bureau (EDB) of the Hong Kong Special Administrative Region of the People's Republic of China to support financially needy students to participate in outbound exchange activities.

In addition, EDB offers two non-means-tested subsidy schemes for exchange activities, namely, Non-means-tested Mainland Experience Scheme for Post-Secondary Students (Non-means-tested MES) and Scheme for Non-means-tested Subsidy on Exchange to “Belt and Road” Regions for Post-Secondary Students (Non-means-tested SSEBR) to encourage more post-secondary students in Hong Kong to pursue exchange activities in the Chinese Mainland and other B&R regions.

SSE and Means-tested SSEBR, each capped at HK$60,000, will be provided for financially needy local students (both publicly-funded and self-financing) of full-time locally-accredited sub-degree and undergraduate (including top-up) programmes. The subsidy amount is calculated by applying the approved level of means test (in terms of percentage of full grant) to the maximum level of subsidy for the Subsidy Scheme based on the latest available result from WFSFAA.

Non-means-tested subsidy up to $14,400 will be provided for local and non-local students enrolled in full-time locally accredited sub-degree and undergraduate (including top-up) programmes under Non-means-tested MES; and non-means-tested subsidy up to $18,000 will be provided for local students enrolled in full-time locally accredited undergraduate (including top-up) programmes under Non-means-tested SSEBR. The maximum amount of subsidy will make reference to the destination and duration components.

Detailed information of the subsidy schemes is available at https://www.eduhk.hk/sao/en/info/csla/student_finance/schemes_for_subsidy_on_exchange/.
