Chapter 17 Campus Facilities and Safety

Student Accommodation

There are four UGC-funded student halls/quarters on Tai Po Campus, namely Northcote Hall, Grantham Hall, Robert Black Hall and the Jockey Club Student Quarters, providing about 2,200 residential places. The Northcote Hall, Grantham Hall and Robert Black Hall provide shared twin study-bedrooms, budget 3-person room and communal facilities such as activity rooms, laundry rooms, bathrooms/toilets, and pantries. Each study-bedroom is also equipped with computer ports. The student quarters in Jockey Club Student Quarters each has single/double/triple (UG flats only) bedrooms, its own sitting/dining areas, terrace, kitchen and bathrooms. Telephone lines and individual computer ports are also provided. Only students of the same gender may live in the same study-bedroom/flat.

Recognizing the limited number of residential places available, the University periodically reviews the policies governing students' admission to student halls in alignment with its strategic goals. Please refer to the website of Student Affairs Office (https://www.eduhk.hk/sao/en/info/student_halls/hall_admission) for the Hall Admission Policy for the academic year 2026/27 and the allocation priority for different groups of eligible students who apply for hall residence.
