 SINGAPORE

Career Workshops | Company Visits | Intercultural
Exchanges

ABOUT US

BestTop Consulting Pte Ltd was founded in Singapore in 2014 and it aims to provide professional customized career coaching service for students and working professionals from Singapore and abroad. Our 400+ career mentors are from the Fortune 500 companies, with rich industry experiences and career development skills. We have set up offices in Singapore, Hong Kong, and mainland China. Our services are recognized by the community and we are backed by renowned incubation programmes from National University of Singapore, Singapore Management University, and the Hong Kong Cyberport.

HIGHLIGHTS

- 
- A large white Merlion statue in Singapore, with a lion's head and a fish's body, spouting water from its mouth. The statue is set against a blue sky with light clouds.
- 6 Visits to Industry Companies**
Provide students with a fresh perspective on various renowned industries.
 - 2 International Career Development Training Workshops**
Well-designed career development training workshops to give students a chance to broaden their horizons and enhance their professional outlook.
 - 4 Immersive Cultural and Leisure Activities**
Experience Singapore's rich heritage through activities around the vibrant city.

OBJECTIVE

Singapore Career Exploration Programme 2025 aims to help students discover their career interests and learn the practical skills essential in the corporate landscape, while helping them gain a deeper understanding of their potential career paths in a global perspective.

Through the well-structured training and company visits, students are expected to have a much clearer understanding of themselves and how world-leading companies operate.

PROGRAMME STRUCTURE

In-depth Visits to Renowned Companies

- Visits to leading companies across various industries
- Attended by human resources/senior management
- Understand industry insight and company culture

Professional Workshop on Career Development

- Classroom training covering various career-related topics
- Gain the knowledge useful for career exploration

Exclusive Networking and Dialogues

- Representatives from different companies sharing personal passion and career growth
- Broaden horizons relating to work and life
- Connect with industry professionals
