Master of Arts in Personal Finance Education (One-year Full-time / Two-Year Part-time)

個人理財教育文學碩士 (一年全日制/二年兼讀制)

Programme Features

- It is the first Master of Arts programme in personal finance education in Hong Kong, focusing on both theoretical financial knowledge and workplace application skills to improve participants' competitiveness in the market.
- Participants will be given opportunities to gain practical and first-hand experience in transferring financial knowledge to individuals and the tools to enable them to be professional financial educators, equipping the skills to operate effectively in the three areas of education, business, and society.
- The Institute of Financial Planners of Hong Kong (IFPHK) confirms that MAPFE graduates will be exempt from taking the CFP certification education program (courses 1 to 3) and the CFP certification examination (foundation level).
- The demand for financial talents in mainland China and Hong Kong is growing rapidly. Graduates have a wide range of employment prospects, including banking and financial institutions, government agencies, educational institutions, and mass media.
- All subjects are taught in English, in order to strengthen participants' English proficiency and competitiveness in the international market.
