

Dr Vicent Wen on enhancing mainland exchange tours for students (17 Jan 2024)

-- By Dr Vincent Wen Zhuoyi, Assistant Professor at the Department of Social Sciences and Policy Studies

In a contributed article to *Sing Tao*, Dr Wen discussed the impacts of mainland exchange tours on Hong Kong students, citing studies from Mainland and the city. He made proposals to enhance these tours, stressing the importance of caring for individuals. This can be achieved by catering to the users' needs, especially those of teachers and students.
