“The Capstone Project is a hallmark feature of the University’s education. During the Capstone Project, I have the precious opportunity to develop a community-based experiential learning package for primary school students. The holistic academic support provided by the University not only enhanced our self-confidence but also laid a solid foundation for our career preparedness. Meanwhile, academic advisors and tutors in my university life provided us with many useful advice on the ways in which we could better equip ourselves for knowledge and skills essential to professional growth.”

## Entrance Requirements

HKDSE students must have:

- Level 3 or above in English Language and Chinese Language; and
- Level 2 or above in Mathematics (Compulsory Part); and
