

Research Assistant I (Ref: 2400513)
Department of Curriculum and Instruction

Project Title: Exploring the usage and effectiveness of GAI in university students' inquiry-based learning

[Appointment Period: 6 months]

The appointee will mainly be responsible for supporting the captioned research project. Specific tasks include reviewing literature, running experiments, processing and analyzing data, and drafting reports. The appointee is also expected to manage administrative work, supervise student helpers, and perform other duties as assigned by the project leader. The appointment will be for a period of 6 months with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor's degree in Education, Educational Technology, Computer Science, Psychology, or a related discipline. They should be self-motivated, passionate about educational research, and have good interpersonal and coordination skills. Also, they should have a good command of both written and spoken English and Chinese (including Cantonese and Mandarin). Preference will be given to candidates who possess experience with learning analytics, data science, and AI techniques.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **4 June 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
